I aim at bettering my current skills and learning new skills while interning at your company in order to become a valuable member of the IT workforce.

EXPERIENCE

MAY 2021-DECEMBER 2021

WORK STUDY, CATHOLIC UNIVERSITY OF EAST AFRICA

I carried tasks such as software and hardware maintenance, installation of software and network configuration. During my tenure as a work study student, I enabled my fellow students and the lecturers to conduct classes smoothly, my interaction skills enabled me to be offered an opportunity as a work study student over the September to December semester.

EDUCATION

FEBRUARY 2014-DECEMBER 2018

KENYA CERTIFICATE OF SECONDARY EDUCATION, ST JOSEPH'S BOYS HIGH SCHOOL-KITALE

I won the most innovative project award at the Kenya National Science Fair competitions (2018). I was chairman of the Science Fair club (2018) and assistant chairman of the music club (2017)

SEPTEMBER 2019-OCTOBER 2023

BACHELOR OF SCIENCE IN COMPUTER SCIENCE, CATHOLIC UNIVERSITY OF EAST AFRICA

Currently a member of Google Developers Club.

ACTIVITIES

I am enthusiastic about networking and cybersecurity, am good in Python Programming Language and also well versed in Web Application Development. During my free time I prefer reading novels, drawing or volunteering in community service activities. I have a fair amount of skill in cybersecurity and currently undertaking my CCNA certifications. I believe I will be able to not only learn but also be an addition asset to the company; contributing ideas and skills all through time spent in your company.
